

Paper Format

1. Margin

Top = 1 inch, bottom = 1 inch, left = 1 inch, right = 1 inch.

2. Font type, size, colour

Times New Roman, 12, black

3. Project title

Bold, Sentence case.

Should be concise and informative.

4. Authors name

List all the students (maximum of 5) and chaperones (Maximum of 2) name.

5. Corresponding author.

Clearly indicate one author who will be responsibility includes answering any future queries about Methodology and Materials. Ensure that the e-mail address is given and that contact details are kept up to date by the corresponding author.

6. Authors' address

State the address of all the authors.

7. Abstract

Must be written within 300 words.

8. Keywords

Provide a maximum of 6 keywords. These keywords will be used for indexing purposes.

9. Introduction

Provide adequate background, avoid a detailed literature review or results presentation.

State the objectives of this research.

10. Materials and Methods

List all the materials consumed in the research. Provide adequate details to allow the work to be replicated by another researcher. If quoting directly from a previously published method, use quotation marks and also cite the source. Any modifications to existing methods should also be described.

11. Results & Discussion

Present all the necessary and adequate results clearly and concisely. Explain the significant of the results of the work.

12. Conclusion

Conclude the research finding concisely correlated to the objectives.

13. Acknowledgement

Acknowledging all the supporting individuals who provided help during the research.

14. References

Follow APA referencing method. Refer [here](#). Ensure that every reference cited in the text is also present in the reference list. As YIJ is also intended for first time young authors, do not worry if you make any mistake.

15. Quoting References

Methods or results that are already published should be summarized and designated by a reference.
